#WOAW16

By cooperating Angora Evleri Property Management, is's been organized a series of events including a conference about development process of Turkish aviation and a series of Turkish pioneer aviatrix. The conference, starting 1913 in the development process of Turkish aviation, namely "Turkish Women in the Development Process of Turkish Aviation" will be presented on March 13, 2016

As well as Angora Evleri residents,

- * Student from,
 - Bilkent University, Ankara,
 - University of Turkish Aeronautical Association - Ankara,
 - Ankara University - Ankara,
 - Bilkent University - Ankara,
 - Anadolu University - Eskisehir,
 - Fırat University - Elazığ,
 - Kocaeli University - Kocaeli,
 - Some high schools in Ankara,
- * High level professional from,
 - TAV Airports Holding / Anatolia, Esenboğa Airport - Ankara,
 - Turkish Aerospace Industries, Inc. - Ankara,
 - Turkish Airlines - Istanbul,
 - Ankara University - Ankara,
 - Ufuk University - Ankara,
- * Some ex-ministers and parliament members,
- * People - girls, women and men who have some interest in aviation,

were in the audience of the activity. The total participants was over 40.

The activity including the conference started with a book signature hour.

My book, "[Can'ca Those Leaving a Mark on the Development of Industry in Turkey](#)", about some industrial pioneer individuals, groups and institutions in the Turkish aviation development process were signed for the ones who have interest to read it.

In the conference, after presenting the current view of global and domestic aviation with the facts and figures and the development process of Turkish aviation, more than 46 Turkish pioneer aviatrix were presented.

After the conference, as one of these first Turkish aviatrixes mentioned in the conference, the first Turkish female Airport General Manager, presented her background, experiences as a pioneer in the development process of Turkish aviation.

Before concluding the activity, some questions of the audience were answered and some ruffle prizes were given to the participants, like,

- A weekend bed & breakfast for two in Bodrum, a round trip airline ticket between Ankara & Istanbul for two including parking permit by TAV Airport Holdimng,
- Two vouchers for luxury restaurants in Ankara & Istanbul by Protel Inc.

The activity took more than 3 hours (12:00 pm - 03:30 pm) and some photos were taken with some groups of conference participants outside...

Thanks for all who have supported and participated in the conference and related events.
